Dated: 14.10.2021

Circular

Vide circular no. **CBSE/DIR (ACAD)/51/2021** dated **July 05, 2021**, Board has communicated that in 2021-2022 session, two examinations for Classes X and XII will be conducted as per following details:-

1. **Term-1** examination which will be conducted in the month of November-December, 2021. This will be an objective type examination and the duration of this examination would be 90 minutes.
2. **Term-2** examination will be conducted in the month of March-April, 2022. This will be a subjective/objective type examination as per the condition of the COVID-19 in the country.

Accordingly, first, examinations of minor subjects will be conducted. Thereafter, examinations of major subjects will be conducted. Date Sheet of the examinations will be released on 18.10.2021.

All examinations would be conducted in offline mode.

CBSE is offering **114** subjects in Class XII and **75** subjects in Class X. Meaning thereby CBSE has to conduct the examinations of a total **189** subjects. If the examination of all subjects is conducted, entire duration of the examinations would be about 40-45 days minimum. Therefore, to avoid learning loss of students, CBSE has decided that subjects offered by CBSE will be divided into two parts- i.e. major subjects and minor subjects. As major subjects are offered by almost all the affiliated schools, hence, exams of these subjects will be conducted by fixing date sheet as done earlier.

Regarding minor subjects, CBSE will make group of schools offering these subjects and thus more than one paper would be conducted by CBSE in the schools on a day.
